

# An Introduction to Literature in Brazil

## Mapping Brazilian Literature Translated into English

Cimara Valim de Melo

Translation demands some form of transculturation, requiring that one artifact be transported from one culture to another

Albert Braz (17)

### 1. Introduction

In the article 'Brazilian Literature Goes Global', Kristal Bivona stresses the increasing availability of Brazilian literature in translation owing to governmental and private-sector investments to promote Brazilian literature abroad. However, this view has not been unanimously supported as the subject 'Brazilian literature in translation' has provoked contrasting views. According to Ángel Gurriá-Quintana, despite the common complaint that not enough Brazilian literature is published in English, this is an auspicious moment for new Brazilian writing in translation. Furthermore, there are global issues which prevent 'peripheral' literature from being known worldwide. As evidence of this, according to the University of Rochester (*Three Percent*), only about three percent of all books published in the USA are works in translation, and in terms of literary fiction and poetry the number is lower than one percent.<sup>1</sup>

In order to examine the reception of Brazilian literature in the anglophone world and also to show how the Brazilian literary system has developed from the viewpoint of the historiography of translation, this study aims to produce an overview of Brazilian literature in the English language by mapping the most representative works, authors, translators and publishing houses from

<sup>1</sup> Launched in 2007, *Three Percent* is an online resource for international literature at the University of Rochester, with the 'goal of becoming a destination for readers, editors, and translators interested in finding out about modern and contemporary international literature'.
